

HVAC Service Professional Job Description

Save the Day! Be the best at what you do and Have Fun Doing It!

Who We Are

We're committed to the success of every team member, growing, and need a talented HVAC Service Professional to satisfy our clients needs. We provide any training necessary to ensure all tools for success are available. Most of our team started with nothing more than mechanical ability and desire to be successful. If you want to be surrounded by a team that enables your success, join our team today! Our mission is to "Provide careers that promote personal growth, success, and security for the team and their families." We have something for everyone!

Why We Need You!

Because we offer top of the line products and services, we need top of the line people who genuinely care about the customer and look at this opportunity as not just a job but a career with opportunity for advancement.

The Big Task

You will accurately and efficiently service top of the line heating and air conditioning equipment in our clients homes.

Key Sub Tasks

- Maintain communication with dispatch, your manager, and your team members.
- Keep your truck inventory up to date.
- Properly complete paperwork.
- You will need to be on call occasionally.
- Maintain a clean and professional appearance, your worth it, so look what your worth.
- Because you will be driving our trucks, we need you to have and maintain a clean driving record.
- Participate in training so you continue to grow and develop as a professional.
- Maintain desire to be better than you were yesterday.

Desired Skills and Experience

If you can achieve the above and you find it fun and challenging - you have just the right amount.

Your comfort is our specialty!
