

Old & Ugly Furnace Contest Complete Rules

Entry Rules

- The contest is for owner occupied single family homes with central, ducted furnace systems.
- Entrants must be legal adults and residents of South Dakota.
- Entrants must be homeowners and fully empowered to make purchases and home improvement decisions regarding their residence.
- Homes must be located within the Climate Control primary servicing area defined as a 20 mile radius of Aberdeen.
- Entries must be received by November 16, 2025.
- Entries may be submitted by completing old & ugly form on Facebook or website or call in.
- The contest applies to gas fired furnaces. Any other types of equipment or crawlspace/attic installations are NOT included. The duct system must be in good condition and properly sized for the air conditioner. The duct system, evaporator, and drain pan must be free of mold.
- Furnaces submitted for the contest must be operable at time of the contest.
- Representatives from Climate Control must be allowed access to the furnace to examine the installation and record manufacturer nameplate information (model & serial numbers and dates to determine age.) and take the photo with the owner.
- Entrants will receive information from Climate Control from time to time. Climate Control, Inc. lists or customer information will NOT be shared with other companies. Entrants can remove themselves from any subscription list at any time by notifying Climate Control by mail, phone, or e-mail of their desire to be removed from any lists.
- Entrants agree to hold Climate Control, its owners, agents and employees harmless for any injuries, or loss of damages related to the contest.
- Prizes are non-transferable and may not be redeemed for cash.
- No entry fee or purchase is required to enter.
- One entry per air conditioner/address.
- Employees of Climate Control and their family members are not eligible (parents, siblings, spouse & children).

Winning Entry

- The grand prize will be determined by both the age and ugliness of their unit, not only by popularity.
- Climate Control employees will use objective information such as model & serial numbers, installation or sale paperwork provided by the homeowner to determine the age of the unit.
- Climate Control Facebook fans will vote for the ugliest unit based on the photos posted on the Climate Control page.
- Climate Control Team will vote on photos anonymously
- **All decisions are final.**
- The winning entry will receive one (1) new properly sized furnace, as well as complete normal installation valued at \$7,622.
- The winning entry will be responsible for: taxes, duct system modifications (if necessary), any hazardous material removal and abatement (e.g., asbestos), and any improvements needed to bring the installation in compliance with existing building and mechanical codes (any applicable costs will be discussed beforehand).
- The winner will be selected on November 17, 2025 and informed prior to any media announcements.
- The winner will be posted online at www.facebook.com/climatecontrolprofessionals.com on November 18, 2025 by 5:00p.m.
- Every entry will agree to allow Climate Control to use images and likenesses of the old and new air conditioners and homeowners and the homeowners' name in promotional material.

Additional

- Everyone who entered the contest will qualify for a \$500 Climate Control rebate on replacement of their unit or system. This offer cannot be combined with any other offers.
